Dear friend

I am glad your letter
came today, for I am going
on a tournee with the Quor²
let for a fortnight.

Your programme is a very good
one; only I thought we were
to play Brahms' three
Sonatas! The Chopin

I always like to play, so
all right. My best
greetings to all the nice
Leeds people, and to Miss
Grist.

Always most truly
Yours
Joseph Joachim
